

THE BIRCHTREE CENTER
THE INTEGRATIVE HEALING ARTS PROGRAM

Session One: Holistic Practice and the Nurse Healer

Carmel Retreat Center

June 24-27, 2010 ~ Mahwah, NJ

The Integrative Healing Arts Program is an opportunity to revitalize your nursing practice and rejuvenate your body, mind and spirit. Come study with the top faculty in complementary and integrative nursing. **Session One** focuses on the essentials of holistic practice and the development of the nurse healer. We explore concepts from the seven core curriculum areas as we place our focus on self-care for the nurse. The framework for integrative/complementary therapies is offered in the context of holistic nursing philosophy, theory and current practice. This is a time to consider what the full potential of your nursing practice can be. Integral within the learning experience is the inclusion of time for inner reflection, relaxation and connection to a supportive community of nurses. Participants who wish to achieve a Certificate in Holistic Nursing and Integrative Modalities must complete Sessions Two, Three and Four.

View the full curriculum on our website www.birchtreecenter.com. Session One provides 23 contact hours.

The program will be held at Carmel Retreat Center, a 30 acre forested and landscaped country estate that is adjacent to a wilderness preserve and nestled in the rolling Ramapo Mountains of northern New Jersey. This retreat center provides quiet serenity and a comfortable, reflective atmosphere. It is 45 minutes from Manhattan and is close to both bus and rail lines. Massage and yoga will be available. This is a sacred place to truly nurture your body and soul. Give yourself the opportunity to relax, renew and learn in a peaceful natural environment. Directions will be provided with confirmation letter upon receipt of registration.
