

THE BIRCHTREE CENTER
THE INTEGRATIVE HEALING ARTS PROGRAM
 Session Two: Integrative Modalities and Caring-Healing Best Practices
 Spirit Fire Retreat and Conference Center
 July 7-11, 2010 ~ Leyden, MA

The Integrative Healing Arts Program is an opportunity to revitalize your nursing practice and rejuvenate your body, mind and spirit. You will study with the top faculty in the field. In Session Two we expand our knowledge of the seven core curriculum areas as we consider the introduction of integrative modalities within the framework of holistic nursing practice. The foundation for integrative/complementary therapies is offered in the context of holistic nursing philosophy, theory and current practice. This is a time to consider what the full potential of your nursing practice can be. Integral with the learning experience is the inclusion of time for inner reflection, relaxation and connection to a supportive community of nurses. **Session Two provides 31.5 continuing education contact hours. Participants who wish to achieve a Certificate in Integrative Nursing can do so by completing Sessions Three and Four.**

The program will be held at Spirit Fire Meditative Retreat Center at the edge of the Berkshire mountains in Leyden, MA (www.spiritfire.com) and has 95 acres of meadows, forest, wetland and streams, offering serenity and solitude for walking or contemplation. Massage will be available on site. This is a sacred place to truly nurture your body and soul. Give yourself the opportunity to relax, renew and learn in a peaceful natural environment. Directions will be provided with confirmation letter upon receipt of registration.
